PRESS RELEASE

FairWind Secures 73MW Człuchów Wind Farm Project in Northern Poland.

Vejle, July 20, 2023

We are excited to announce that FairWind has been chosen by Vestas as the installation partner for the Człuchów Wind Farm project in Northern Poland.

This project involves the installation of 33 Vestas Model V110-2.2MW turbines, each with a hub height of 120 meters. With a capacity of 73MW, this wind farm represents a significant milestone and one of the largest investments in Człuchów's history.

The project will be operated by two installation teams, and our dedicated professionals are committed to delivering this project to the highest standards.

About FairWind

FairWind A/S is a leading global provider of one-stop solutions for the installation and service of onshore and offshore wind turbines throughout the world. FairWind has worked in more than 40 countries and cooperates with over 1,500 technicians to manage customers' projects globally.
